Education	North East University Bangladesh Major: Computer Science & Engineering Obtained GPA: 3.54 /4.00	January 2017-June 2021
Interests	Computer Vision, Machine Learning	

Fully Automatic Computer-Aided Mass Detection And Segmentation Via Pseudo-Color Mammograms And Mask R-CNN:

- A Research paper I had implemented during my undergrad thesis.

Object Detection & Segmentation:

- The purpose of this project is to go through the Mask R CNN algorithm.

Breast Cancer Classification:

- Implemented an ideal CNN model to classify the stage of cancer on the MIAS dataset.

Bangla Money Recognition-Kaggle:

- Implemented KNN, Linear regression, and CNN algorithms from scratch and Scikit Learn libraries to classify Bangla nine notes.

Projects

Titanic Survival prediction-Kaggle:

- Trained RandomForest, KNN algorithms to make predictions such that passengers would survive or not.

Tic Tac Toe:

- Python project that decides win, lose or tie between player vs computer.

Object Info:

- Identifies and briefly describes different types of objects written in Java

Desktop Application:

- Find out different files/ folders from desktop local disks written in Java

Study Management System:

- A simple dynamic website created using PHP, HTML5, CSS3, MySQL where students can store their study materials.

Medicare:

- A dynamic website is created that provides health-related information using PHP, HTML5, CSS3, and MySQL.

Skills	Programming Languages and Web Technologies: C, Java, Python, HTML, CSS3 Data Analysis Tool: Scikit-learn, OpenCV, Numpy Deep Learning Framework: Tensorflow, Keras	
Languages	Bangla: Native; English: Fluent; Hindi: Fluent	
MOOCs on DataCamp	Biomedical Image Analysis in Python by Stephen Bailey Image processing in Python by Rebeca Gonzalez	Certificate Certificate
Participations	NEUB Intra Department ICT Fest,2018. National Girls Programming Contest,2019. Grace Hopper Girls' Programming Contest, 2019	
Extra Curriculum Activities	Mentor: mentored undergraduate CSE students on different projects. Student volunteer: taught Secondary School students to achieve better grades.
